PRACTICE:
❖ Daily effective practice is vital in order to be successful in class piano.
❖ Students should practice a minimum of 20-30 minutes, 5 days per week.
❖ Frequent shorter practice sessions throughout the week are more beneficial than a few large blocks of practice time for your technical and musical development.
❖ Practice on an acoustic piano and if necessary on an electronic piano with a full keyboard and weighted keys.
❖ Students may sign up to reserve a practice room in Music Hall beginning Tuesday August 31. See Ms. Sue Henze in the music office.
PIANO TUTORS:
Several qualified music majors will be available for free weekly piano tutoring within the piano lab. More details will be announced in class.

ATTENDANCE:
- Your attendance is expected at all classes. Written documentation for excused absences must be received no later than two class periods following the absence. No documentation will be accepted once finals have begun. If you do miss for an excused reason, contact Professor Bronson as soon as possible.
- One unexcused absence will not count against your class piano grade. Each subsequent unexcused absence will lower your class piano grade by one grade increment (i.e. A- to B+). 2 tardies equal 1 unexcused absence.
- Quizzes and exams will not be made up for an unexcused absence. In the case of an excused absence, it is the student’s responsibility to contact Professor Bronson and make arrangements to make-up missed work.
- If you do miss a class, you are responsible for obtaining all class notes, handouts, etc. from your classmates and by consulting Blackboard Learn.

BLACKBOARD LEARN AND E-MAIL:
Weekly classroom assignments, SMART Board files, grades, exam and quiz information, and other important announcements will frequently be posted on Blackboard Learn and/or sent to students’ Iowa State University e-mail address. Students are responsible for checking both locations regularly.

CLASSROOM POLICIES:
- No food or drinks are allowed in the piano lab. Bottles with lids may be kept at the side of the room away from the pianos.
- Only keep your required materials at your piano. Other materials should be kept away from your piano and out of the aisles.
- Cell phones and other electronic devices should only be used during class for recording piano announcements and notes.
- If you are ill, please wipe your piano, headset, and bench with a disinfecting wipe at the end of class.
- At the end of every class, place headsets on hook underneath piano, turn off piano, and place bench underneath piano.
