GRADING POLICY
Grading will be determined by two areas, attendance and preparation. I will expect a professional level of preparation towards assigned parts. This means music is to be worked on immediately and NOT learned in rehearsals. Preparation will play a large part in determining your grade as success as a professional musician depends largely on your preparation. Having a pencil at all times in all of your rehearsals is strongly advised and failure to have one will adversely effect your grade.

PREPARATION
Besides the above factors, grades will also be weighed by a professional approach to learning your music. This ensemble should be approached as would any professional engagement or ensemble. Do not approach me in the hallway and ask what we are doing for rehearsal. Do not ask me if I have an extra copy of your music because you left it at home.

CONCERT DRESS
The dress code CONCERT DRESS IS ALL BLACK
