___ Music 480K ^c	Field Experience	1			
___ Gen Ed.	Humanities	3			
___ Music 420	Senior Recital	R			
		16			

¹A placement examination in keyboard skills determines the student's placement in the Class Study in Piano courses.

**Students should take the major area (WW or brass) with which they are less familiar first to gain more experience in lab band. However, WW players planning to gain additional skills on a 2nd WW, might choose to take that area first. Non-WW players should take 351 before 352. 358B must be taken concurrently with each tech course (350-355).

++Alternate year courses. String players take 490B and 464. WW and brass players take 368 and 464.

^cThese courses which appear in the same semester must be taken concurrently. You must be admitted into the teacher education program before you can sign up for Music 480K.

The LAS world language requirement must be met. The U.S. diversity and international perspectives requirements are automatically met with courses required for this degree option (C I 406 and Music 383).

*Advanced Theory and History courses (music education major requires 1 history, 1 theory) are not offered every semester. Semesters of offerings are listed in the course descriptions in the catalog at: <http://catalog.iastate.edu/collegeofliberalartsandsciences/music/#courseinventory>

Flexibility in scheduling: Many general education and education (C I = Curriculum and Instruction) courses can easily be taken in different semesters than indicated as well as in the summer. Music courses are best kept in the order/semesters indicated. (Most music courses are offered one semester each year.)
