¹A placement examination in keyboard skills determines the student's placement in the Class Study in Piano courses. Students not required to take four semesters of class piano will take additional elective credits.

^cEngl 150 requires concurrent enrollment in Lib 160

All ISU students must complete a three-credit course in U.S. diversity. A list of approved courses can be found at <http://www.registrar.iastate.edu/students/div-ip-guide/usdiversity-courses>. A course taken to meet this requirement can also be used to meet other requirements. The International Perspectives requirement is met by Music 383.

Flexibility in scheduling: Many general education courses can easily be taken in different semesters than indicated. Music courses are best kept in the order/semesters indicated. (Most music courses are offered one semester each year.)

*Specific advanced theory and history courses (requires 1 history, music 434, and 1 theory) are not offered every semester. Semesters of offerings are listed in the course descriptions in the catalog at: <http://catalog.iastate.edu/collegeofliberalartsandsciences/music/#courseinventory>.
