¹A placement examination in keyboard skills determines the student's placement in the Class Study in Piano courses. Students not required to take four semesters of class piano will take additional elective credits.

²Students take the courses MUSIC 415F/G/I that are in the area (woodwinds, brass, or percussion) of their major instrument.

^cEngl 150 requires concurrent enrollment in Lib 160.

Other graduation requirements can be found on degree audit in Accessplus

Flexibility in scheduling: Many general education courses can easily be taken in different semesters than indicated. Music courses are best kept in the order/semesters indicated. (Most music courses are offered one semester each year.)

*Specific advanced theory and history courses (wind or percussion major requires 1 history and 1 theory) are not offered every semester.
